Wound die
d2 to start, and every Hurt puts it up a size · a heal has to beat it · downtime clears it to your Scars

d2 d4 d6 d8 d10 d12 → **Blaze**

Blaze: *a Hurt at d12. Declare something extraordinary, then die or take a Scar and leave the scene.*
Rest: *when a scene ends, roll your Confidence against it, and beat it to bring it down a size.*

Scars
each is a Catch, and your wound die never goes below the last one · five and your next Blaze is your last
